EXPERIENCE

Lyzr AI

Apr 2026 – Jun 2026

UI Designer (Member of Technical Staff) | Bengaluru

- Designed end-to-end UX for an **AI-powered conversational commerce platform** covering product discovery, personalised recommendations, checkout and order tracking.
- Designed an **AI-powered support dashboard** that unifies ticket management, order tracking, AI-assisted conversations and agent workflows.
- Redesigned the **Cortex AI Copilot platform**, building a **scalable design system** and reusable components for AI chat, knowledge base, research workflows and AI tools.

JobTwine

May 2025 – Apr 2026

UI/UX Designer | Bengaluru

- Led product design for AI-powered hiring workflows, including resume screening, AI interviewing, recruiter dashboards, feedback and candidate experience.
- Designed AI Copilot experiences and OTP-based self-demo flows, contributing to a **20% increase in leads**.
- Built an accessible design system of **30+ reusable UI components**, improving consistency and speeding up design across workflows.
- Redesigned recruiter dashboards with clearer information hierarchy and interaction flows, improving usability.
- Created marketing creatives and LinkedIn campaigns that contributed to a **3x increase in engagement**.

Simpliaxis

Oct 2023 – Apr 2025

Visual Designer | Bengaluru

- Redesigned the ed-tech website's information architecture, visual hierarchy and responsive journeys, **increasing engagement by 22%** and **reducing bounce rate by 17%**.
- Designed dynamic, content-aware popups for enrollment, error states and exit-intent journeys.
- Improved course **conversion by 12%** and increased **leads by 15–20%** through data-driven landing pages.

JobTwine (Internship)

Jan 2023 – Sep 2023

UX Intern | Bengaluru

- Created low- to high-fidelity wireframes in Figma for dashboards and web applications.
- Identified UX inconsistencies and aligned interfaces with the design system and reusable UI patterns.
- Supported usability testing and turned findings into iterative design improvements.

EDUCATION
